E-tutorial

Mainstreaming the 2030 Agenda for Sustainable Development

This training tool provides an opportunity for in-depth learning on the "localization" of the SDGs. It aims to strengthen participants' understanding of the processes, mechanisms and tools required for mainstreaming the 2030 Agenda. In addition, it offers an opportunity for practicing some of the skills that would prove useful on the ground.

COURSE DURATION
Open-ended

COURSE TYPE
Self-paced, Online
(Fee: Free)
